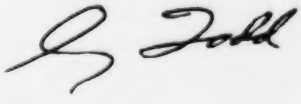
The Honourable Robert Andrew
Minister in Charge
Public Service Superannuation Board
Regina, Saskatchewan

Sir:

I have the honour to submit herewith the fifty-fifth Annual Report of the Public Service Superannuation Board, together with the financial statements, for the fiscal year ending March 31, 1982, pursuant to the provisions of Section 69 of The Public Service Superannuation Act.

Respectfully submitted,



George J. Todd
Chairman

The Public Service Superannuation Board

Objectives

The Board, which consists of three members appointed by the Lieutenant Governor in Council, is responsible for the administration of The Public Service Superannuation Act.

The primary objective of the Board is to provide superannuation allowances to employees who retire and to the dependents of deceased superannuates and employees, in accordance with the Act.

Program and Activities — 1981-82

Contributions and Payments

During the fiscal year ended March 31, 1982 employees' contributions to the superannuation plan amounted to $13,499,625.

Allowances paid during the year to superannuates, and to the spouses and children of deceased superannuates and employees, amounted to $17,526,777.

Refunds of contributions and interest paid with respect to employees amounted to $3,841,096. A Government employer's contribution amounting to $362,490 was paid with respect to 23 employees who transferred to a pension plan under the terms of reciprocal agreements.

During the year, employees contributed $53,114. to the Employees' Savings Account. Refunds of contributions and interest paid with respect to employees amounted to $131,775. A Government matching contribution amounting to $112,321 was paid with respect to employees under the Employees' Savings Account who retired or died in service.

The cost of the administration of the Act was $307,307. (Table 11)

Details of the financial transactions of the Board are contained in the Financial Statements included in this report.

Retirements and Deaths

296 employees retired during the fiscal year (see Appendix A) consisting of:

(a) 93 — Normal retirement at age 65 (Table 1)

(b) 4 — Optional retirement with reduced pension after age 60 with minimum 15 years service (Table 2)

(c) 80 — Optional retirement after age 60 with minimum 20 years service (Table 3)

(d) 45 — Optional retirement before age 60 with 35 years service (Table 4)

(e) 14 — Retirements due to disability (Table 5)

(f) 23 — Deferred pensions (Table 6)

(g) 35 — Lump sum payment to employees attaining the normal retirement age of 65, being contributors to the Employees' Savings Account (Table 9)

(h) 2 — Lump sum payment to employees retired due to ill health being contributors to the Employees' Savings Account (Table 10)

During the year 31 employees, 54 superannuates and 23 spouses receiving an allowance died. A superannuation allowance was granted to 30 spouses of the deceased superannuated employees. In the remaining cases, there were no beneficiaries. (Table 7)

A superannuation allowance was granted to 16 spouses and 10 children under age 18, with respect to the deceased employees. In the remaining cases, where no allowance was payable, the deceased employees' contributions and interest were refunded or a double refund was paid as provided for under the Act. (Table 8).

Legislation and Regulations

During the year under review, several amendments were made to The Public Service Superannuation Act and The Superannuation (Supplementary Provisions) Act. These include:

- Extension of the authority for reciprocal agreements to include Saskatchewan cities.
- Allow credit for war service to employees who were not a resident of Canada at the time of enlistment in the active forces of the British Commonwealth in World War II and the Korean War.
- Removal of the requirement to have been an employee on March 31, 1952 in order to retire before age 60 with 35 years service.
- Prohibit the payment of a refund to an employee who is eligible for an immediate, non-reduced superannuation allowance.
- Provide that the death benefit payable to a dependent of a deceased superannuate or employee will not be less than the superannuate's or employee's contributions and interest.
- Provide supplementary allowances to increase the pensions being paid to superannuated employees and spouses.
- Provision to include employees of the Saskatchewan Transportation Company in the Public Service Superannuation Plan. The assets of the Transportation Company's pension fund were transferred to a new fund established under the Act effective April 1, 1981 and the fund is administered by the Board. Contributions made by the employees and the Company's employer contributions are paid into the fund and any refunds, superannuation allowances or other payments are paid out of the fund in respect of a Company employee in accordance with the Act. The fund is held in trust by the Minister of Finance and any investments of the fund are made in accordance with the Act and the Investment Policy Guidelines for the Operation of Pension Funds established by the Finance Investment Board.
- Provision for former employees of a Saskatchewan municipal justice system who became employees of the Government, to be included in the Public Service Superannuation Plan.

The Regulations under The Public Service Superannuation Act and The Superannuation (Supplementary Provisions) Act were amended, revised and consolidated under The Superannuation Acts Uniform Regulations, filed February 24, 1982.

The following amendments are included in the consolidated regulations:

- The interest rate payable on refunds of contributions was increased from 6% to 7%, compounded annually, effective from April 1, 1982.
- The interest rate payable on instalment payments made by employees for the purchase of service credits was increased from 8% to 9%, compounded annually, from April 1, 1982.
- The amount available under the option for employees to increase the superannuation allowance payable before age 65 and decrease it after that age, has been adjusted to allow integration with the full amount of the Federal Old Age Security Pension instead of the maximum $80 formerly specified under the previous regulations.

Appreciation is extended to the diligent staff of the Board and to all government departments and agencies for their co-operation and assistance during the year.

Financial Statements

For the Year Ended March 31, 1982

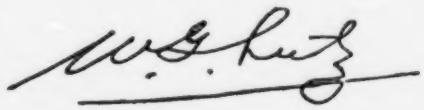
Saskatchewan
Public Service
Superannuation
Board

Auditor's Report

To the Members of the Legislative Assembly
Province of Saskatchewan

I have examined the Statements of Receipts and Payments and Employees' Accumulated Contributions of the Public Service Superannuation Board for the year ended March 31, 1982 with respect to both the Public Service Superannuation Plan and the Employees' Savings Account. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the receipts and payments and employees' accumulated contributions of the Public Service Superannuation Plan and of the Employees' Savings Account for the year ended March 31, 1982 in accordance with the stated accounting policies applied on a basis consistent with that of the preceding year.



Regina, Saskatchewan
July 22, 1982.

W. G. Lutz, F.C.A.,
Provincial Auditor.

Statement 1

Public Service Superannuation Board
Public Service Superannuation Plan
Statement of Receipts and Payments

For the Year Ended March 31

Balance, end of year (Note 2(b))	$277,340	$333,684

(See accompanying notes to the financial statements)

Public Service Superannuation Board
Notes to Financial Statements

March 31, 1982

1. Status of the Plan

Members of The Public Service Superannuation Plan include those public service employees who were employed prior to October 1, 1977 and had not elected to transfer to the Public Employees' (Government Contributory) Superannuation Plan. In compliance with the provisions of section 38 of The Superannuation (Supplementary Provisions) Act, the Board has not registered nor received the contributions of any new employees who commenced employment with the provincial government or related agencies on or after October 1, 1977, the date on which the Public Employees' (Government Contributory) Superannuation Plan came into effect.

2. Accounting Policies

a) Modified Cash Basis of Accounting

The Public Service Superannuation Board has adopted the modified cash basis of accounting wherein receipts are recorded as collected and payments are recorded when payments are made. The financial statements reflect the cash basis of accounting except the receipts applicable to the current fiscal period received prior to April 30 of the next fiscal period are recorded as receipts of the current period, and payments applicable to the current fiscal period made before April 30 of the next fiscal period are recorded as payments for the current period.

In accordance with the provisions of section 40 of The Public Service Superannuation Act, all funds received by the Board are deposited into the consolidated fund of the Province and all payments made by the Board under the provisions of the Act are paid therefrom. The plan is on a current cost basis and accordingly funds are not set aside for the payment of future benefits. (See Note 3).

b) Statements of Employees' Accumulated Contributions

The Statements of Employees' Accumulated Contributions present, in summary form, an accounting of the changes that have occurred during the year in the cumulative contributions of all employees of the Provincial Government and related agencies who are registered under the provisions of The Public Service Superannuation Act and who are not in receipt of allowances under the Act.

The balance of the employees' accumulated contributions does not include any accrued interest thereon which may be payable to or on behalf of the employee upon his termination of employment. Interest provided for in the Act is paid by the Board at the time terminating employees withdraw their accumulated contributions from the plans.

c) Employees' Savings Account

For those employees who are ineligible to contribute to the Public Service Superannuation Plan because of age restrictions upon commencement of employment, section 48 of The Public Service Superannuation Act permits them to contribute to the Employees' Savings Account. Upon retirement, the employee receives, in lieu of a retirement pension, his contributions with accrued interest together with an amount equal to the said contributions and interest.

3. Actuarial Evaluation of the Superannuation Plan

The Public Service Superannuation Act states that the Province is responsible for providing out of its consolidated fund, the funds required to meet the present and future payments called for by the plan. An actuarial survey of the Public Service Superannuation Plan was carried out as at March 31, 1979 and the

results indicated that the unfunded liability of the plan as at that date was approximately $688,768,000.

4. Integration of Canada Pension Plan

The Canada Pension Plan is considered to be integrated with the Public Service Superannuation Plan in the calculation of superannuation allowances and in making payroll deductions for superannuation contribution purposes. Although the plans are integrated for the foregoing purposes the accompanying financial statements do not reflect the employees' contributions to the Canada Pension Plan nor the allowances paid to superannuates by the Canada Pension Plan.

5. Saskatchewan Transportation Company Employees

With effect from September 1, 1980 certain employees of Saskatchewan Transportation Company were admitted to the Public Service Superannuation Plan. During the period September 1, 1980 to March 31, 1981 the Plan received contributions from the employees of $241,667 and matching contributions from Saskatchewan Transportation Company of $198,088. These amounts are included under 'Receipts' on Statement 1. The Plan made payments during the period to former employees of Saskatchewan Transportation Company totalling $60,039, comprised of superannuation allowances ($20,985), refunds of contributions ($34,884) and interest on refunded contributions ($4,170). These amounts are included under 'Payments' on Statement 1.

Pursuant to a 1981 amendment to The Public Service Superannuation Act and with effect from April 1, 1981 a separate fund was established for Saskatchewan Transportation Company employees. In accordance with these new provisions, the amounts received by the Public Service Superannuation Plan in the period September 1, 1980 to March 31, 1981 in respect of Saskatchewan Transportation Company employees, plus interest thereon, less payments made, were transferred to the new Plan in 1981/82 together with the assets of the old Saskatchewan Transportation Company pension fund administered by the Crown Investments Corporation Superannuation Investment Fund.

Anti-Tuberculosis League Employees Superannuation Fund

Financial Statements

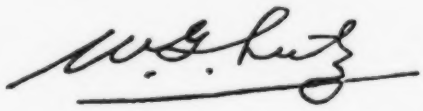
For the Year Ended March 31, 1982

Auditor's Report

To the Members of the Legislative Assembly
Province of Saskatchewan

I have examined the balance sheet of the Anti-Tuberculosis League Employees Superannuation Fund as at March 31, 1982 and the statement of accumulated fund balance for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the fund as at March 31, 1982 and the results of its operations for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.



Regina, Saskatchewan
July 30, 1982.

W. G. Lutz, F.C.A.,
Provincial Auditor.

Anti-Tuberculosis League Employees Superannuation Fund
Notes to the Financial Statements

March 31, 1982

1. Authority

The Anti-Tuberculosis League Employees Superannuation Fund was established under provisions of an amendment to The Public Service Superannuation Act, effective April 1, 1979 and is administered by the Public Service Superannuation Board. Employees of the Saskatchewan Anti-Tuberculosis League on March 31, 1979 are deemed to be employees of the Public Service for purposes of the Public Service Superannuation Act unless an election was made prior to April 1, 1980 to participate in the Public Employees (Government Contributory) Superannuation Plan. For those employees deemed to be public service employees, contributions are made to the Fund in accordance with the provisions of The Public Service Superannuation Act and correspondingly refunds, transfers and retirement benefits are paid from the fund. However, if there are insufficient moneys in the fund for those purposes, any deficiency shall be made from and be a charge on the Consolidated Fund.

2. Accounting Policies

(a) Investments

Investments are recorded at cost. Any gain or loss realized upon the sale of investments is recognized in the period in which the sale took place.

(b) Administrative Costs

In accordance with Section 3 of The Public Service Superannuation Act, the costs to administer the Fund are borne by the Consolidated Fund of the Province and are not reflected in the accompanying financial statements.

3. Accumulated Fund Balance

(a) Employees' Accumulated Contributions

This portion of the accumulated fund balance represents the accumulated amounts that have been contributed by current League employees to the fund at year end. This sum does not represent the accrued value of retirement benefits earned by these employees since retirement benefits are based on years of service and salary levels.

(b) Unallocated

This portion of the accumulated fund balance is composed of:

i) the accumulated contributions made by all superannuates to the fund;

ii) investment earnings and;

iii) accumulated contributions to the fund by the Saskatchewan Anti-Tuberculosis League

reduced by retirement allowances paid to superannuated employees and interest paid upon withdrawal or transfer of employee contributions from the fund.

4. Actuarial Evaluation

An actuarial study of the Anti-Tuberculosis League Employees Superannuation Fund has not been commissioned to determine if the present assets of the fund together with employee contributions and the presently required matching League contributions will be sufficient to meet fund obligations.

Saskatchewan Transportation Company Employees Superannuation Fund

Financial Statements

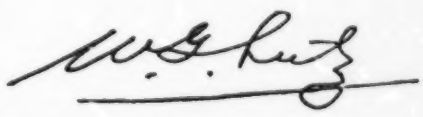
For the Year Ended March 31, 1982

Auditor's Report

To the Members of the Legislative Assembly
Province of Saskatchewan

I have examined the balance sheet of the Saskatchewan Transportation Company Employees Superannuation Fund as at March 31, 1982 and the statement of accumulated fund balance for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the fund as at March 31, 1982 and the results of its operations for the year then ended in accordance with generally accepted accounting principles.



Regina, Saskatchewan
August 3, 1982.

W. G. Lutz, F.C.A.,
Provincial Auditor.

Saskatchewan Transportation Company Employees Superannuation Fund
Notes to the Financial Statements

March 31, 1982

1. Authority

The Saskatchewan Transportation Company Employees Superannuation Fund was established under provisions of an amendment to The Public Service Superannuation Act, effective April 1, 1981 and is administered by the Public Service Superannuation Board. Employees of the Saskatchewan Transportation Company on March 31, 1981 are deemed to be employees of the Public Service for purposes of The Public Service Superannuation Act. For those employees deemed to be Public Service Employees, contributions are made to the fund in accordance with the provisions of The Public Service Superannuation Act and correspondingly refunds, transfers and retirement benefits are paid from the fund. However, if there are insufficient monies in the fund for those purposes, any deficiency shall be made from and be a charge on the Consolidated Fund.

2. Accounting Policies

(a) Investments

Investments are recorded at cost. Any gain or loss realized upon the sale of investments is recognized in the period in which the sale took place.

(b) Administrative Costs

In accordance with Section 3 of The Public Service Superannuation Act, the costs to administer the Fund are borne by the Consolidated Fund of the Province and are not reflected in the accompanying financial statements.

3. Accumulated Fund Balance

(a) Employees' Accumulated Contributions

This portion of the accumulated fund balance represents the accumulated amounts that have been contributed by current company employees to the fund at year end. This sum does not represent the accrued value of retirement benefits earned by these employees since retirement benefits are based on years of service and salary levels.

(b) Unallocated

This portion of the accumulated fund balance is composed of:

i) the accumulated contributions made by all superannuates to the fund;

ii) investment earnings and;

iii) accumulated contributions to the fund by the Saskatchewan Transportation Company

reduced by retirement allowances paid to superannuated employees and interest paid upon withdrawal or transfer of employee contributions from the fund.

4. Transfer of Net Assets

(a) Crown Investments Corporation of Saskatchewan Superannuation Investment Fund

Pursuant to an amendment to The Public Service Superannuation Act in 1980 the assets attributable to the Saskatchewan Transportation Company pension plan were transferred effective April 1, 1981 from the Crown Investments Corporation of Saskatchewan Superannuation Investment Fund to the Saskatchewan Transportation Company Employees Superannuation Fund. The basis of transfer was prescribed to be at book value, which was determined to be the

original cost of the investments transferred adjusted by the amortization of purchase premium and discount amounts to the date of transfer. In order to complete the transfer, the portion of contributor's equity relating to the Saskatchewan Transportation Company pension plan in the Crown Investments Corporation of Saskatchewan Superannuation Investment Fund was determined at March 31, 1981, with the excess of that amount over the book value of assets and accrued interest being settled by a cash payment. Since the transfer took place on May 31, 1981, the amount of interest earnings relating to April and May 1981 were also paid to the new fund and are reflected as earnings of the current fiscal year for financial statement purposes.

(b) Consolidated Fund

With effect from September 1, 1980 members of the Saskatchewan Transportation Company pension plan were admitted to the Public Service Superannuation plan. During the period September 1, 1980 to March 31, 1981, the Public Service Superannuation Board received contributions from the employees of $241,667 with matching contributions from Saskatchewan Transportation Company of $198,088 and made payments during the period to former employees of Saskatchewan Transportation Company totalling $60,039. The amount of $385,204 representing amounts received by the Public Service Superannuation Board during this period plus interest thereon, less payments made, was transferred during the current fiscal year to the Saskatchewan Transportation Company Employees Superannuation Fund.

5. Actuarial Evaluation

An actuarial evaluation of the fund's predecessor, the Saskatchewan Transportation Company pension plan, was conducted by the firm of William M. Mercer Limited as at December 31, 1976. The actuarial report indicated that as at December 31, 1976 the fund's estimated accrued liabilities for past service exceeded its assets by $177,600.

6. Comparative Figures

The Saskatchewan Transportation Company Superannuation Fund was established by Legislation effective April 1, 1981. Accordingly, comparative figures are not available for the preceding fiscal year.
